

Board Positions for the 2018-2019 School year

As you turn in enrollment forms and plan for the next school year, you will have the opportunity to select new committees to join or to consider joining the board. You may be wondering if you have what it takes to fill a board position (you do!) and if we really need someone new like you to step up and give it a try (we do!). Being a part of a cooperative allows our school the ability to be flexible and ever changing to fit the needs of the students. Busy parents just like you have made an effort to lead the school by serving on the board for over 65 + years! Join the tradition!

Board members are responsible for attending monthly board meetings, attending during General Membership meetings, and assisting with other committees and special projects, as needed. New board responsibilities, begin in June. See below, for a description of each position. Please contact any current board member, if you have further questions about their position. All positions will be decided by a vote of the members at the next General Membership meeting, in March.

Please write your name next to any or all Board positions you may be interested in holding for the 2018-2019 school year, and return this form (keep a copy for yourself) to the "Presidents" box located in the shelf under the tuition box at the school, or email the position(s) you are interested in to mcppreschoolpresident@gmail.com. There will also be a sign-up for Board positions posted on the front door of MCP, two weeks prior to our March General Membership meeting.

Thanks for considering this amazing opportunity to help make our school the best it can be!

President _____

Vice President _____

Treasurer _____

Assistant Treasurer _____

Health Secretary _____

Communication secretary _____
